Currituck County Board of Elections Receives National Award

U.S. Election Assistance Commission (EAC) recently selected 53 winners for their Clearinghouse Awards out of a record 258 entries nationwide, recognizing best practices in election administration. Also known as the “Clearies,” the awards celebrate programs that took place during the 2024 presidential election year. Winning jurisdictions range from counties with less than 25,000 registered voters to states with over 22.9 million. “We are honored to receive this award from the U.S. Election Assistance Commission,” said Kimberly Twine, Director of Elections. “Our ‘I Voted’ Sticker Contest was a community-driven initiative that gave students a unique opportunity to participate in the democratic process.”
